

TRIBUNOL Supergear 75W-85 GL4/5

Tribunol Supergear 75W-85 GL4/5 is a transmission oil of the premium class, especially for transaxle systems, manual and transfer cases, but also for highly loaded, synchronized and non-synchronized manual transmissions and axle drives

DESCRIPTION

Thanks to its excellent oxidation and ageing stability, it also offers outstanding protection against wear, deposits and siltation. Tribunol Supergear 75W-85 GL4/5 thus achieves the longest change intervals (up to "fill-for-life" regulation), with the highest power density at the same time. It is used when API GL4 is prescribed in conjunction with API GL5.

Recommended and tested in units for which the following specifications and filling instructions are required:

SAE 75W-80
API GL4
API GL5
