

TRIBUNOL Supergear 75W-90 GL4/5

Tribunol Supergear 75W-90 GL4/5 is a transmission oil of the premium class, especially for transaxle systems, manual and transfer gears of passenger cars, trucks, commercial vehicles, agricultural, construction and working machines.

DESCRIPTION

Due to best oxidation and ageing stability it offers highest protection against wear, deposits and siltation. Tribunol Supergear 75W-90 GL4/5 thus achieves the longest change intervals (up to "fill-for-life" regulation), with extremely high power density at the same time, setting standards in rationalisation. It can be used wherever gear oils of API specification GL4, in conjunction with API GL5 and the SAE class 75W-90 are specified.

Recommended and tested in units for which the following specifications and filling instructions are required:

SAE 75W-90
API GL4/MT1
API GL5
